

# Process

## An exciting series of workshops & an opportunity to be part of Arts by the Sea Festival!

Artists from CoCreate are offering 24 people the chance to take part in up to 12 creative workshops in September. Each person who takes part will contribute to a collaborative exhibition that will be shared with the public at the Arts by the Sea Festival 2020.

We know that the COVID-19 crisis has affected people in different ways, and we will work with you to tailor sessions to meet your needs. We might run sessions online, in a park, over the phone, through the post - wherever you're at. We want to find a way to involve anyone who wants to take part!

If you'd like to make some time for yourself, reflect on recent events, and maybe take some space to *Process* your thoughts through creative activity we'd love to hear from you.
